

Al Jabalain started as a single, multi-activity enterprise founded by
Mr. Ghazi Mahous Al-Shammari -

He opened the Contracting, Road Construction and Construction Equipment Rental
Division in 1975

The beginning was in the eastern region to keep pace with the oil boom and renaissance
in all fields of contracting, as it entrusted business with major international companies
in the eastern region.

Our business has won their satisfaction and praise, and their affirmation of our
capabilities, and the recommendation to assign work to us according to the certificates
of achievement handed to us by these companies and institutions
